2017 Issue 2

PRESIDENT	VICE PRESIDENT	SECRETARY	TREASURER
John Guillory	*Phill Zook*	*John Guillory*	*Robert J. Anderson*

"Troopers of the 7th Cavalry "

"GarryOwen"

I'm taking this opportunity to thank two gentlemen for their years of exemplary volunteer service to the 7th United States
Cavalry Association. My frst thank you is directed to our scribe of 17 years, Bob Anderson. Bob has decided to put his keyboard away and invest his time in other endeavors. So thank you, Bob, for the many years and the amusing stories and enjoyable reporting you, your imagination and your keyboard provided. Bob, you reminded all your audience of the people, times, places and events worth remembering.
My next thank you goes out to Jim Savage, our Webmaster. After 20 plus years, Jim has decided to exit the fast lane of the digital highway. Jim, the Association website is obvious evidence of your artistic creativity, your technical skills and your enjoyment of all that is the 7th Cavalry. Thank you Jim, the website you created and managed is an attractive, well-composed and functional outlet for historical and topical data. Bob and Jim, again thank you both for the many hours, the blood, sweat and tears you both put into your craft.
The departure of these two men provides volunteer opportunities in both these vacant positions. The 7th Cavalry Association relies on the efforts of
volunteers, so "new blood" is vital and necessary to the organizations well being
and longevity.

Please review the position descriptions below and let me know if you are interested.
